

C-level technician skills certification in 2020

We train our students to learn a skill in the school and cooperate with the government policies to obtain a technician license and to do work after graduation.

We have 3 types of skill test classes ,including Commercial Wiring、 Food Baking-pastry&cake and Automotive Mechanics. The skill test took place from July 20th to July 23rd in 2020.

There are 40 students took an examination and 38 students passed the exam .The pass rates has reached 95%,.

Occupational Categories	Test Number	Qualified Number
Commercial Wiring	13	11
Food Baking-pastry&cake	16	16
Automotive Mechanics.	11	11
Total	40	38
